CISC MISSION STATEMENT

The Cambridge-Isanti Soccer Club (CISC) competition league's mission is to field a sufficient number of competitive teams to provide age and skill appropriate opportunities for players wanting to advance their skill, knowledge, and passion for the game of soccer.

CISC CORE VALUES

CISC ORGANIZATION BACKGROUND

CISC is committed to providing a positive environment for children to play soccer while encouraging parents and the community to be actively involved in the development of our young players. The purpose of CISC is to promote and grow the game of soccer at the youth level. We offer enjoyable and developmentally appropriate programs for all ages, both at recreational and competitive levels, to enhance players' understanding, sportsmanship, and skills. CISC adheres to respecting the rights, dignity, and worth of every person, regardless of gender, abilities, cultural background, religion, or sexual orientation.

CISC is a member of the Minnesota Youth Soccer Association (MYSA), which is affiliated with the United States Youth Soccer Association, Inc. Our programs are currently funded through participation fees

CAMBRIDGE-ISANTI SOCCER CLUB BOARD STRUCTURE

The CISC Board of Directors is composed of volunteer members who work in the best interest of our club, players, and families. If you have any questions or comments, please use the email address listed for each board member. We kindly ask that you refer to the GRIEVANCE & ESCALATION PROCEDURES section within this handbook before reaching out.

COMPETITION TEAM STRUCTURE

Within CISC, competition teams are formed based on players' age, gender, and skill level, as determined by player assessments and tryouts. As an "open-club," CISC does not give preference to any particular city, neighborhood, or school affiliation. The Competitive Program requires a commitment of 2-3 practices per week, along with a home or away game each week. While MYSA makes every effort to geo-locate teams for the least amount of travel, the team bracket can change from year to year and may include away games as far north as Alexandria or as far south as Mankato, depending on the age and gender brackets.

This is the club's premier competitive league, where players are dedicated to giving their best effort. CISC registers most teams as Division III teams, which is the highest level within our club but the lowest level in the MYSA structure. This makes it an ideal transition for new players or those moving beyond the recreational league. Teams can also participate in select tournaments and the State Championship. Teams are available for boys and girls during both the Summer and Fall seasons.

REGISTRATION

All registrations and payments must be completed online through the CISC website. In accordance with MYSA rules, any player who submits a registration application and pays any portion of the registration fee is considered committed to CISC for the entire soccer year. Players are bound to the club from the 8th day following the final game of the MYSA Summer State Championships until the published date of the final game of the subsequent year's Summer State Championships. The release of registered players to another program will be processed following MYSA procedures. No player releases will be granted after the official MYSA deadline unless there are extenuating circumstances as outlined by MYSA rules.

Player Registration

CISC follows a structured registration and tryout process to ensure team formation is completed efficiently:

- Tryouts are held in the summer months, with separate dates for younger and older age groups.
- Team formation occurs shortly after tryouts, with rosters announced before the start of each season.
- Players selected for fall teams must complete full registration and payment to confirm their roster spot.
- Players intending to participate in the spring season must submit a deposit by the designated deadline to secure their placement.

Payment Structure

CISC offers a tiered payment plan to provide flexibility for families:

- A deposit is required at the time of registration to hold a player's spot.
- A mid-season installment is due before winter break.
- The final balance must be paid before the start of the spring season.

Late Registration Policy

To ensure timely team rostering, coach placements, uniform orders, and other administrative tasks, it is crucial that all participants register on or before the designated deadline. Any additional registrations after the deadline will be at the discretion of the CISC Board and subject to team availability and possible late fees.

Coach Registration: During the open registration period, applications will be accepted from individuals interested in volunteering as head coaches. The CISC Board of Directors will select head coaches, and, if possible, appoint an assistant coach for each team. Coaches who have children participating in the club will receive one free player registration for their child.

REFUND POLICY

This policy outlines the conditions under which refunds will be issued for Cambridge-Isanti Soccer Club (CISC) registration fees, balancing financial stability with reasonable accommodation for extenuating circumstances.

General Refund Guidelines

- Refund requests must be submitted in writing via email to the CISC Board at **registrar@cisoccer.org**.
- All refunds are subject to approval and processed according to the schedule outlined below.
- Processing fees incurred by the club (e.g., transaction fees) will be deducted from the refund amount.

Refund Eligibility & Schedule

Fall Season

- Once a player has been placed on a team, no refunds will be issued except under extenuating circumstances (e.g., injury, family relocation). Documentation may be required.

Spring Season

- Refund requests submitted before December 31 of the registration year are eligible for a 50% refund of the registration fee.

- Starting January 1 of the soccer season, no refunds will be issued except under extenuating circumstances (e.g., injury, family relocation). Documentation may be required.

Extenuating Circumstances

Refunds may be considered on a case-by-case basis for:

- **Medical Withdrawal:** Requires a physician's note.
- **Family Relocation:** Proof of relocation must be provided.
- **Other Hardship Circumstances:** Subject to executive board review.

Processing Time & Method

- Approved refunds will be processed within 30 days of approval.
- Refunds will be issued via the original payment method when possible.

Non-Refundable Fees

- Uniform and equipment costs are non-refundable.

Final Decision

All refund requests are subject to CISC Board approval, and decisions are final.

For any questions regarding this policy, please contact **registrar@cisoccer.org**.

VOLUNTEERING & SCHOLARSHIP PROGRAM

CISC is a 100% volunteer-run organization, relying on dedicated individuals to create a positive environment for youth soccer. To ensure the continued success of our programs, families of competition players in the Spring/Summer soccer season are required to complete four (4) volunteer hours per family.

To fulfill this requirement, families must choose one of the following options: (1) Submit a \$300 deposit check, which will be held and shredded upon completion of volunteer hours or cashed after September 1 if hours are not met; (2) Place a \$300 hold on a credit card through the registration system, which will be released upon completion of hours or charged after September 1 if hours are not fulfilled; or (3) Opt to waive the volunteer requirement by paying the \$300 buy-out fee in full. Board members and team staff who have served in two or more combined seasons are exempt from this requirement.

Volunteer hours must be completed by August 31, and they do not carry over from previous years. Hours may be fulfilled by family members or relatives aged 14 and older, but partial completion will not result in a partial refund—the full requirement must be met. Player passes

will be suspended if the deposit or fee and a signed Volunteer Agreement are not received by April 30. Volunteer opportunities will be posted via email and Signup Genius on the CISC website.

Scholarship Program

CISC offers a Scholarship Program to assist families who qualify. To be eligible, applicants must provide documentation of current acceptance into a State, Federal, or School aid program. Applications without documentation will only be considered after all other complete applications have been processed. Please note that meeting eligibility requirements does not guarantee scholarship approval.

If selected for the Scholarship Program, recipients must complete volunteer requirements. For players registered in the Competitive Program, parents or the player (if 14 years or older) must commit to completing 10 hours of volunteer service within the club. Volunteer opportunities include, but are not limited to:

- Field Clean-Up (e.g., changing garbage bags, striping fields, helping direct families during events like Meet the Coach Night or Picture Night)
- Assisting with concession stands
- Serving as a parking assistant
- Other authorized tasks approved by the CISC Board

Scholarship recipients who do not fulfill their volunteer obligations will forfeit their family's eligibility for future scholarship funds. For more information about volunteer opportunities or the Scholarship Program, please contact us at volunteers@cisoccer.org or visit our website at <https://clubs.bluesombrero.com/Default.aspx?tabid=1251668>.

PLAYER TRANSFER OR RELEASE

Please refer to the MYSA Policy and Rules Manual for detailed guidelines. Transfers or releases to another club will not be granted after April 1 of each year and will be processed in accordance with MYSA policies.

PLAY UP POLICY

CISC generally discourages players from playing up in age level, except under special circumstances. Requests for a play-up must be submitted for review, and the Board will evaluate each case individually to determine if it meets the necessary criteria for approval. As a rule, players will not be rostered or allowed to play more than two years above their designated age level. While all requests will be considered, approval is not guaranteed and will be based on the specific merits of each case.

CLUB PLAYER PASSES

In the event that rostered players are unable to attend a scheduled game, player passes may be used to provide greater flexibility for moving players between teams. The purpose of a Club Pass is to support individual player development and meet team needs effectively. Players using a CISC player pass must be registered on club teams, and player passes will not exceed a three-year age difference.

If there are concerns about the use of player passes, the Head Coach may bring the matter to the Board for review. The Board will evaluate the request and make a determination, but approval is not guaranteed.

Misuse of player passes or failure to adhere to club standards may result in consequences, which could include suspension, termination of the player pass, or removal from the club. Each case will be assessed individually to determine the appropriate course of action.

FORMATION OF TEAMS

Once tryouts have been conducted, the Board of Directors will review registration numbers by age group to determine team formations. Our goal is to provide as many children as possible with playing opportunities, so team levels (e.g., U12, U14) are not predetermined. Playing age guidelines are established by US Youth Soccer and are based on their birth year.

Teams are formed based on the number of players who registered and attended one of the available tryout sessions. Please note that registration does not guarantee that a team will be created for your child. Team formation depends on meeting roster requirements and the availability of coaches for each age group. Team sizes are dictated by MYSA and are detailed in the table below.

AGE RANGE	CRITERIA
U9-U10	Teams at this age must have at least 8 and no more than 12 players to register as a team.
U11-U12	Teams at this age must have at least 10 and no more than 16 players to register as a team.
U13-U18	Teams at these age levels must have at least 14 and no more than 18 registered players.

NUMBER OF PLAYERS, LENGTH OF GAME, AND BALL SPECIFICATIONS

Age	Players (including GK)	Game Length	Ball Size
U9-U10	7v7	25 min. halves	4
U11-U12	9v9	30 min. halves	4
U13-U14	11v11	35 min. halves	5
U15-U16	11v11	40 min. halves	5
U17-U18	11v11	45 min. halves	5

PLAYING TIME GUIDELINES

Playing time for each team is determined based on the coach's philosophy and in accordance with CISC minimum playing time requirements. Coaches should clearly communicate their playing time philosophy to players and parents at the start of the season. If adjustments are made during the season, coaches should explain the reasons for these changes. Playing time may be influenced by factors such as practice performance, team commitment, attendance, effort, and the player's ability to be a supportive and effective team member.

CISC Minimum Playing Time Requirements

U9-U10

- Coaches should aim to provide approximately equal playing time for all players throughout the season.
- Players should have opportunities to play multiple positions to develop their skills.
- **Goalkeeper exception:** Players may try the position if interested, but they are not required to play as a goalkeeper.

U11-U12

- Players must receive at least 30% of total game minutes over the course of the season.
- Each player must receive a minimum of 10 minutes per game.
- Players should continue to be given opportunities to play in multiple positions.
- **Goalkeeper exception:** Players may try the position if interested, but they are not required to play as a goalkeeper.
- Coaches may adjust playing time based on attendance, effort, and engagement in practices and games, but playing time must still meet the CISC minimum requirements.
- Since player development is a key focus of CISC, coaches must communicate with parents if a player's playing time is significantly adjusted.

U13 and Above

- Playing time is at the coach's discretion and in accordance with CISC's philosophy of player development.
- While playing time is not guaranteed, coaches are encouraged to provide meaningful opportunities for player development whenever possible.

EVALUATIONS & TRYOUTS

U9-U18 Evaluations

In accordance with MYSA guidelines, all players interested in joining a competitive soccer team must participate in the skills evaluations for their age level. These evaluations are used to determine placement for the following year's Spring/Summer teams.

Players will be evaluated in three key areas:

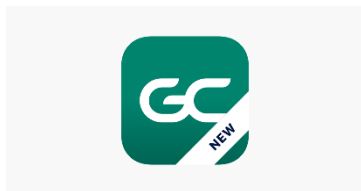

1. **Technical Skill and Athleticism**
2. **Performance in Small-Sided Games**
3. **Mentality, Attitude, and Coachability**

Note: If a player is unable to attend the scheduled evaluations, their assessment will be based on coaching reports, Board member evaluations (if applicable), and in-season game performance.

TEAM ADMINISTRATION

My Account Navigation – Game Changer Application

CISC uses the GameChanger app as the primary communication tool between coaches, players, parents, and guardians. This app provides essential practice and game information, such as schedules, locations, uniform details, and coach updates. It also offers features like live streaming and game scorekeeping. We encourage all families to download the GameChanger app to stay informed about team notifications and updates. **Please note:** The GameChanger app should not be used for grievances or communications unrelated to CISC activities.

TOURNAMENTS

CISC will fund one tournament per competition team each year, based on the club's budget and availability. If teams wish to participate in additional tournaments, they may collect extra funds from families or secure sponsorships to cover the costs. Tournament dates and locations are typically announced in early May, and families are encouraged to incorporate these events into their summer plans. Participation in tournaments is not guaranteed for all players and will be at the coach's discretion. Additionally, if coaches and parents agree to pay and register for extra tournaments, they do so at their own risk, as refunds are not guaranteed in the event of a tournament cancellation.

GRIEVANCE & ESCALATION PROCEDURES

In the event of a complaint or situation that needs to be resolved, please follow these steps:

1. Allow a 24-hour "cool down period" before approaching a coach or board member to discuss your concerns.
2. Contact a member of the team staff directly to request a meeting and address your concerns.
3. If the issue cannot be resolved with the coach, reach out to a board member, who will report it to an executive committee member.
4. Grievances should be escalated promptly. All decisions made by the executive committee or the Board of Directors are final.

REGISTERING A COMPLAINT

Complaints for a serious violation of the CISC rules must be reported immediately to the Competition Coordinator. To file a complaint, please contact the Competition Coordinator via email. All team staff and board members are mandated by law to be SafeSport trained and compliant, ensuring the safety and well-being of all participants. Any violations related to player safety, misconduct, or abuse will be escalated as required to the necessary authorities in accordance with SafeSport guidelines and legal obligations..

WEATHER GUIDELINES

For full details, please refer to the MYSA Policy on their website:

www.mnyouthsoccer.org/weather.cfm. Referees and coaches should adhere to the following guidelines:

Storms & Lightning

- If lightning is observed within five miles, with or without hearing thunder, all games or practices should be suspended, and shelter should be sought immediately.
- A lightning detector can accurately measure distance, but if unavailable, use the 30-second rule: if the time between the lightning flash and the thunder is 30 seconds or less, seek shelter. Remember, it can be difficult to match specific lightning strikes with thunder, so a simple rule applies: **"If you can see it or hear it, clear it!"**
- Play should not resume until at least 30 minutes after the last lightning strike is seen or the last roll of thunder is heard.

Heat Index

As the heat index rises, the following adjustments must be made to ensure player safety:

- **Up to 89°:** Normal play, no adjustments needed.
- **90° - 99°:** Mandatory two-minute water breaks per half (with running time) and each half shortened by five minutes.
- **100° - 105°:** Mandatory two-minute water breaks per half (with running time) and each half shortened by ten minutes.
- **105°+:** Suspend all play.

Additional precautions must be observed when dangerous heat conditions are possible, including incorporating extra water breaks, splitting games into quarters, and shortening game durations as necessary.

Cold Index

The following precautions apply during dangerously cold conditions:

- **46° and higher:** No adjustments necessary.
- **45° and lower:** Players may wear additional clothing as long as it is deemed safe by the referee.
- **40° and lower:** Shorten games by five minutes per half.
- **35° and lower:** Suspend all games.

PLAYER EXPECTATIONS

Uniforms

A single uniform style will be selected for all competitive teams. All players participating in CISC competitive soccer must purchase the designated CISC uniform. Uniform fitting and ordering will take place before the start of the upcoming Spring/Fall season, and the cost of the uniform is the responsibility of the player. CISC will notify players in advance if there is a change in uniform style.

Equipment

Player equipment must include the official CISC uniform (shorts, shirts, and matching socks), shin guards, and cleats. It is the responsibility of parents/guardians to purchase appropriate shin guards and cleats, as these are not included with the uniform. Each player must also have a properly sized soccer ball and a water bottle. Cleats must be soft rubber molded; cleated baseball or football shoes are not allowed. Shin guards are mandatory and must be fully covered by socks with no exposed hard edges.

Jewelry – All Players

No jewelry of any kind is permitted, including (but not limited to) earrings, necklaces, bracelets, chains, chokers, rings, pendants, pins, buttons, watches, and hard plastic or metal hair accessories. Corrective glasses with straps and medical notification tags or bracelets may be allowed at the referee's discretion.

Adult Participation Requirements:

All coaches, assistant coaches, and team managers must annually complete the following MYSA-mandated requirements before receiving their passes:

- **Background Check:** To ensure the safety and well-being of all participants.
- **Concussion Training:** MYSA-approved training on recognizing and managing concussion incidents.
- **SafeSport Training:** To maintain an environment free from abuse and misconduct.

All documentation of completed requirements must be submitted to the Competition Coordinator.

Coaches / Assistant Coaches / Team Managers

- A minimum of one coach, assistant coach, team manager, or CISC board member (two adults recommended) must be present at all training sessions and games, staying on-site until the last child is picked up.
- No individual may coach more than one CISC competition team without approval from the CISC Board.
- CISC will reimburse coaches 100% of accrued licensing fees upon course completion and license approval. Receipts should be submitted to the Competition Coordinator. Approval

for advanced licenses (e.g., C Coaching License) must be obtained from the CISC Board, and reimbursement will be at the Board's discretion. A duration commitment for volunteer service to the club may be required.

- Coaches will be assigned to teams by the Competition Coordinator, and CISC reserves the right to remove any coach at any time for any reason.

The Role of the Coach

Coaches are essential to CISC's mission and are expected to:

- Train players to develop their soccer skills in a positive, supportive environment.
- Promote camaraderie, fair play, and sportsmanship.
- Ensure adherence to all CISC, MYSA, and FIFA rules.
- Maintain regular communication with teams regarding philosophy, schedules, fees, and events.
- Supervise players until they are picked up by a parent or guardian.
- Familiarize themselves with and use online scheduling and team management tools (e.g., GameChanger, Affinity).
- Host a team orientation meeting at the beginning of the season.

Assistant Coaches

Assistant coaches, selected by the CISC Board, can run practices and games in the head coach's absence and are expected to assist as needed.

Coaches Training

Coaches should have a working knowledge of the game and seek opportunities to improve their skills. CISC provides training and licensing to support volunteer coaches' development.

End of Season Coach Evaluations

At the end of each season, coaches are required to complete online player evaluations. Additionally, coaches will be evaluated by their teams. The purpose of these evaluations is to highlight strengths and identify areas for improvement, helping all participants to grow and advance in their soccer development.

Team Manager

The team manager serves as the primary point of contact for the team and is responsible for day-to-day operations and maintaining team records. Key responsibilities include:

- Collecting volunteer forms and checks, as needed, from participating families
- Communicating the upcoming schedule and maintaining the GameChanger app
- Coordinating volunteers for snack schedules as needed

Coaches will communicate any additional responsibilities that may be asked of the Team Manager to include things such as coordinating the schedule or rescheduling games.

Coach Equipment and Supplies

Before the start of each season, coaches will be provided with a coach's bag and necessary equipment. At the end of the season, all borrowed items must be returned to the Competition Coordinator in their original condition.

TEAM TRAINING

Team coaches are responsible for all training sessions. Teams are expected to practice 1-3 times per week, depending on the coach's discretion and the availability of practice locations.

BEHAVIOR OF COACHES, PLAYERS, AND PARENTS

Soccer is a game that belongs to the players. Adults must prioritize player welfare and the integrity of the game over personal desires, ensuring that competition never takes precedence over safety and sportsmanship. Coaches and parents are responsible for modeling and teaching good sportsmanship through both their words and actions.

All players, parents, and staff must adhere to the CISC Code of Conduct, which they agree to during registration. The full Code of Conduct is available on our website: [CISC Code of Conduct](#). Coaches are also responsible for ensuring appropriate conduct from players and team supporters. Referees, coaches, and CISC Board members have the authority to expel spectators for inappropriate behavior.

Prohibited Behaviors

The following behaviors are strictly prohibited and will not be tolerated:

- Abusive or foul language directed at a coach, parent, referee, or player
- Threatening actions or words toward a coach, parent, referee, or player
- Aggressive physical contact with a referee or player with intent to harm
- Striking (closed fist) a referee or player
- Refusing to leave the playing area after being ejected
- Entering the field to confront or intimidate a player, referee, or coach
- Instructing players to engage in dangerous or unsportsmanlike play

Consequences:

Players exhibiting any of these behaviors will be immediately expelled from the game. The CISC Board may impose additional disciplinary actions, including suspension or revocation of the player's pass for the remainder of the season.

If a coach receives a red card, they are immediately expelled from the game, and the CISC Board will review the incident to determine further action. Repeated inappropriate behavior by a coach will result in expulsion from CISC.

Respect for Referees:

- Referee decisions are final and may not be questioned or criticized publicly or privately by coaches, players, or parents.
- Harassing, threatening, or intimidating referees in any way, at any time—before, during, or after the game—is strictly forbidden. Violations will result in immediate expulsion and an additional one-game suspension.

Sportsmanship and Competition:

- Running up the score against an opponent is strongly discouraged. Coaches should make adjustments to player positions to balance competition while respecting the team's desire to win.
- After each game, both teams are expected to line up respectfully to shake hands. Taunting or disrespectful comments toward the opposing team will not be tolerated.

Field Guidelines:

- Players not in the game and spectators must remain at least three (3) feet from the touchlines and stay between the goal lines.
- Per MYSA insurance policy, no one is allowed behind the end lines.

BLOOD AND BLEEDING

CISC prioritizes the safety and well-being of all league participants and is committed to preventing the transmission of bloodborne and infectious diseases. Players, coaches, and referees who are bleeding, have an open wound, or have blood on their uniform or body must not participate in any activity until proper treatment is administered.

Guidelines for Reducing Transmission:

1. **Immediate Removal and Treatment:** A bleeding player must be removed from the field for treatment. The wound must be cleaned and securely dressed before the player can reenter the field. Any uniform with blood on it must be replaced or covered with a clean article of clothing.
2. **Protective Measures:** Coaches and other individuals should routinely use gloves or take other necessary precautions to prevent contact with blood or bodily fluids when such contact is anticipated.
3. **Hand Hygiene:** Hands and other skin surfaces must be thoroughly cleansed if contaminated with blood or bodily fluids and immediately after gloves are removed.
4. **Health Restrictions for Coaches:** Coaches with bleeding or oozing skin conditions should avoid providing athletic care to prevent potential exposure and transmission.

*****Notice: Changes, additions and/or deletions to this handbook may be made without prior notice. *****
